Notification on Passing Requirement for Courses
Through Continuous Assessment (PB) & Final Assessment (PA)

Final Assessment (PA) & Continuous Assessment (PB)

- Final Assessment (PA):

  Refers to the type of assessment conducted at the end of the study period (usually at the end of the semester) to measure students' achievement of the overall learning outcomes of the course.

- Continuous Assessment (PB):

  Refers to assessments carried out throughout the semester to measure students' understanding and progress in stages.

Benchmark for Passing Requirement (PA & PB)

- New Requirement (PA & PB):
  Must obtain at least 40% of the total Continuous Assessment (PB) score (out of 60%) and 40% of the total Final Assessment (PA) score (out of 40%).

- Existing Requirement:
  Must obtain at least 60% (Grade B-) of the overall total marks for a course.

- Students must fulfil both of the above requirements in order to pass the course taken.
